STB Finance Docket No. 34075
Surface Transportation Board
1925 K Street, NW
Washington, D.C. 20423-0001
Attn: Phillis Johnson-Ball

Deadline: November 30, 2003

(Please be as specific as possible)

What potential environmental issues and impacts are you concerned about?

I believe it will have many benefits such as:
with changing the route such as,
less trucks on the road, less broken windshields,
it will be safer and easier to drive on the road,
it could bring more jobs to the area, people will
be able to move material that goes on the rail faster
